Creating a Website

The easy way

- Use a website builder.
 - WIX - <https://www.wix.com/>
 - WordPress <https://wordpress.com/>
 - Webflow <https://webflow.com/>
- Design your website.
- Publish your website.

The fun way

- Design your website.
- Code your website.
- Get a domain name.
- Host your website
- Add your site to search engines.

WIX.com

webflow

While you wait...

There are 50 stacks of 50 coins each. One of these stacks contains 50 counterfeit coins. Counterfeit coins look exactly the same, but they weight 1 gram less.

If you are given a weighing machine, how quickly can you find the counterfeit coins. I can do it in one weighing.

Can you do it too?

p.s changing the number of coins on the scale counts as a weighing
